

**The American Neurogastroenterology and Motility Society
Announces a Call for the Ironwood-ANMS Diversity Development Award**

Award deadline: May 13, 2022 by midnight EST
Return application, letter and CV by email to admin@motilitysociety.org

This award is to help support talented mid-career women or under-represented gender or ethnic minority achieve academic promotion. The award(s) are open to all current ANMS members who are > 5 years post terminal training (postdoc or fellowship). Eligible ANMS members are invited to self-nominate. The award funds can be used to support salary or travel for a mini-sabbatical or professional development leave or bridge funding between grants to start or complete research projects. The recipient **must attend** the **2022 Annual ANMS meeting** (August 5-7, 2022 in Philadelphia, PA) to receive the award. **The award will fund 1 grant for \$20,000.**

Please email your nomination to admin@motilitysociety.org **May 13, 2022**. **Notification results will be sent by June 15th.**

Eligibility:

- 5 years post terminal training (postdoc or fellowship)
- ANMS Member for at least 2 years
- Mid-career woman or under-represented gender or ethnic minority
- Attend 2022 ANMS Meeting in Philadelphia (August 5-7, 2022)
-

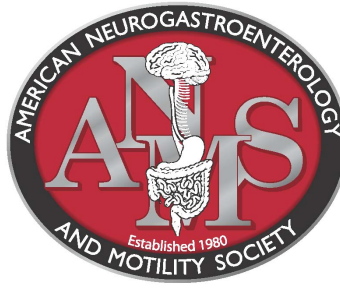

The Application **can be downloaded at url below** and will **need to include:**

- **Letter of support from the applicant's Division Chief or Department Chair**
- **Current CV.**
- If applying for **Bridge funding** we **require** an **NIH style Biosketch.**

Please format all materials as a **single PDF** and return via email to Lori Ennis at:
admin@motilitysociety.org
